# Cohen's February Merchandise Movement

Will show Monday the extreme possibilities in advantageous trading that the greatest labor of an entire corps of buyers have furnished in travelling from factory to factory for more than a month. We not only offer an enormous stock at underprices, but for the special February sale we have marked them far below our usual normal profit.

## So as to Make the Dull Season a Busy One

Read of the Few Out of the Thousands Unmentioned.

## Cotton Movement for February

comprises the new styles from almost every producer in America; but if that was all, we would have little cause to call on our public for a hurry purchase. The prices we have been enabled to make presents an offering that it is impossible to repeat. When everybody buys the manufacturers will not make such prices as these.

15c—Embossed China Cuspidors.

## Colored AND Black Dress Goods

### Bought to Advantage.

Never before have such enormous stocks of Dress Goods been offered to the public in the month of February, because there never were such favored conditions. All these goods were bought early in January, when a slump in the market was expected and we bought at our own price. At present woolsens have advanced 10 to 20 per cent, even on their original standard values.

#### Colored Goods

JUST ARRIVED—The last forty pieces we will get this season of these Fine French Broadcloths, that you can match anywhere for \$2 or \$2.50, colors and black. The shades begin with the most delicate tint, and from that to the deepest colors.
